We would be grateful if you would consider following us on our facebook page.

We encourage you to share our posts and help us to raise awareness. We would also appreciate you leaving us a review on our facebook page if you have utilised our services.

We would like to thank the Kiwi Gaming Foundation for their support this year. Their recent grant has allowed us to reimburse our volunteers for their travel costs. Our volunteers give their time to travel all over Canterbury visiting clients and delivering devices. We simply could not operate the service without them and we are so thankful to the Kiwi Gaming Foundation for helping us to compensate our volunteers.

CAN YOU HELP?

As a registered charity all of our funding, including salary is received through grants and donations. We continuously raise funds to ensure a device is accessible for any vulnerable individual who may need it. The cost of a device is \$350 while \$60 covers the costs of refurbishing a device. If you would like to support us you can make a donation to the following ASB account: 12-3494-0067777-00

'Giving is not just about making a donation, it's about making a difference'

RETURNING DEVICES

We have had a number of occasions where clients are no longer in need of our devices but these have not been returned. We refurbish all our devices so they can be reassigned and help other vulnerable individuals. If your client no longer requires a device please contact the programme manager Emma on 03 907 0072 or email emma@wandersearch.nz to arrange collection. Please note there is a charge of \$350 for lost devices.

Wandersearch Canterbury Charitable Trust acknowledges and greatly appreciates the support granted by the following funders. This support

enables us to help more families than ever before.
