

**WANDERSEARCH CANTERBURY CHARITABLE TRUST  
NEWSLETTER**

We hope you all enjoyed the holidays and wish you a safe and happy year ahead. 2022 was a busy year for WanderSearch Canterbury as client numbers continue to grow.

**STREET APPEAL- FRIDAY 21st APRIL**

We will be running a street appeal on Friday 21st April across Christchurch city in line with Autism Acceptance Month. We will be raising awareness of WanderSearch Canterbury and the support we can offer to vulnerable clients at risk of going missing. So feel free to stop and have a chat with us if you see us out and about.

In October we attended the Ageing Well in Selwyn Expo. We had a successful day and it was great to connect with so many organisations and clients that will benefit from our support.

**AUTISM NZ**

Autism NZ have been supporting us to update our website and to create a Social story that can be utilised when replacing our devices for Autistic clients. If you think this would be helpful for the client or whānau you are supporting please let us know.

We encourage you to share our posts and help us to raise awareness. We would also appreciate you leaving us a review on our facebook page if you have utilised our services.

We would like to thank our newest funder, the Aoraki Foundation, for their recent grant. Your support will allow us to reach more clients and their whanau in South Canterbury than ever before. The Aoraki Foundation invests donated money and distributes the income generated by those funds to charitable causes and community organisations within the South Canterbury district. We are so grateful for your support!

### SERVICE EVALUATION FORMS

We have recently introduced end of service evaluation forms. This is a short questionnaire that you will be asked to complete if you have used one of our devices. We would really appreciate your cooperation in completing and returning these. Your feedback and suggestions will help us improve the service for future clients and their whanau/carers.

*Wandersearch Canterbury Charitable Trust acknowledges and greatly appreciates the support granted by the following funders. This support enables us to help more families than ever before.*
